

TRANSMITTAL SLIP		DATE 30 Sep 83	
TO:		SA/DDCI	
ROOM NO.	BUILDING		
REMARKS:			
<p>Topics have been shortened since Mr. McMahon's remarks will only last 20 minutes. Expanded information on Soviet defense spending has been included per our discussion. I have also provided a discussion of the KAL shoot-down and a new topic -- worldwide strategic materials. This topic, I believe, forms a good lead-in to Tech Transfer.</p>
